GUIDANCE NOTES FOR GROUP ORGANISERS

The coach park is situated at the end of the car park close to the Ticket Office (in the brick building).

Please leave your group on the coach while you come to the Ticket Office and pay. If you are purchasing the rides inclusive ticket, please issue one to each person and inform them that they are entitled to unlimited Narrow Gauge train rides and three rides on the Gallopers Roundabout. If you have purchased entry only tickets you do not have any tickets to hand out, please tell them that they will have to pay the ticket office for any rides, which are £3.00 each for a train ride and £2.50 each for a ride on the Gallopers. Times of the trains are shown at the Station Masters hut, they run at either 20 or 30 minute intervals.

It is helpful if you can let your group know that once they enter through the brick building the toilets are located over the Fen railway crossing, a few yards on the left a flint wall extension is the entrance to the toilets and the cafe is on the right overlooking the Roundabout.

The Gardens are located through the brick building, turn right and across the lawn.
